## DEMOGRAPHICS

*The region is home to those who value a high quality of life and seek space and serenity; a respite from the fast pace and congestion of the city. West Valley residents are affluent, family oriented, and cherish their close knit community. The residents enjoy the same appreciation for quality, luxury and service as experienced in high profile areas, such as Beverly Hills, West Hollywood, Brentwood and Bel Air. The Valley Country Market fills a unique niche by combining the sophisticated tenancy of the city with the charming and relaxed personality of the West Valley.*
